Waking – her mind and heart racing with perverse excitement, Hailey rolled out of bed, tip-toed across the carpeted floor, and then slid into bed next to her identical twin sister Hannah, but sleep was the last thing on her mind. Brushing the long red hair from her sister’s face, Hailey kissed her softly on the lips.

Waking to being kissed for the first time in her life, Hannah jerked back and was just about to scream in terror when, through sleep-filled eyes, she recognized her identical twin sister. *“H-Hailey? What in the hell are you doing?”* she whispered. *“Did... did you just kiss me?”*

“I did. And I loved it. Please tell me you did to.”

“It... it was nice but...”

“No buts. Remember our promise?”

“Promise? Oh god! You can’t seriously... fuck! You really want us to lose our virginities to each other?”

“I do. And tonight’s the night. We turned eighteen approximately seven minutes ago and since we live in a state where it’s legal there’s nothing anyone can do about it. And as we’ve discussed a million times before, we’re identical in every way so we’re really having sex with ourselves,” Hailey said as she gave her sister another kiss. *“Happy birthday, sis. Will you have sex with me?”*

“If mom walks in on us...”

“Then we’ll fuck her too. Come on, sis, this is the one promise we vowed to keep no matter what. I love you more than anything. I’ve saved myself for you and you alone. I want you to be my first and if you’re still virgin I know you want to be mine. Are you a virgin, sis?”

“I am. And everything tells me this is wrong, but... but my love for you far outweighs any moral or societal stance on what we’re about to do,” Hannah said as she kissed her identical twin sister on the lips. *“Are we sticking to the plan fully? No limits?”*

“No limits.”

“Then get on top and eat me, sis,” Hannah said as she rolled onto her back to have sex for the first time in her life. As her identical twin flipped around, she suddenly sat up preventing her getting on top. *“Wait, if we’re going to do this then I want to make sure consent can never be questioned,”* Hannah said as she rolled out of bed. Going to her desk, she turned her laptop on. *“Everything sexually we do together will be recorded or we won’t do it at all.”*

“No complaints here,” Hailey said as she knelt on her sister’s bed. *“And I meant what I said. If mom somehow catches us I’m going to fuck her so silly she’ll beg to be our fucktoy.”*

“That’s hot. And you won’t be fucking her alone.”

“That’s hot! Now get your sexy ass back in bed so we can spend the rest of the night pleasuring each other!”

“Just as soon as I get the cameras set up to capture everything.”

“Cameras? Plural?”

“I knew this day was coming and I didn’t know whether I’d be able to go through with it or not so I bought several cameras which I hid around our room while you were out a few days ago,” Hannah explained. *“If we’re doing this then I want it recorded from every possible angle.”*

“I like the way you think, sis.”

Ensuring the nine cameras set up around the room she shared with her identical twin sister were properly recording, Hannah walked over to her bed. Grabbed Hailey by the shoulders, and then leaned in. *“Do you want to have sex with me, sis?”*

“More than anything in the world!”

“With or without limits?”

“No limits whatsoever. Every act of sexual perversion is on the table. Is that what you want too?”

“Nothing scares and excites me more. That being said, I asked Celeste to get me something very specific for my birthday because I couldn’t get it myself and she graciously agreed. I’ll be right back.” And with that, Hailey went to her closet, stepped inside, grabbed a large gift-wrapped box, and then returned to the bed. *“This is really my gift to the both of us on this very special occasion,”* she said, ripping the purple and gold paper from the box.

Grabbing a corner, Hailey helped tear the wrapping paper from the 3-foot long, 2-foot wide, 2-foot deep box. Then, she helped her rip it open. Eyes darting inside, they went wide as she took in numerous sex toys. And not just dildos and butt plugs. *“Holy shit, sis!”* she exclaimed as she took in gags, clamps, paddles, anal beads, cuffs, dildos, butt plugs, rope, canes, packs of needles, a wartenberg wheel, a TENS unit for electroplay, a fisting toy, bottles of lube, and two identical sleek purple and black collars.

Picking up the two collars, Hannah gently lifted her twin’s chin until they were staring each other in the eyes. *“Happy birthday, sis,”* she said, wrapping the collar around Hailey’s neck.

Not knowing whether she was supposed to or not, Hailey picked up the other collar and placed it around her twin’s neck. *“Happy birthday, sis. Now please, for the love of all that’s perverse, take my virginity.”*

“We’ll use the rest of the toys after we’ve used fingers and tongues,” Hannah said as she pushed her sister back onto her bed. Getting on top, she leaned down and sucked Hailey’s left nipple into her mouth and sucked it for several all-too-brief seconds before rolling them over. *“Eat me, sis!”*

“Gladly!” Flipping around, Hailey got on top of her identical twin, lowered her head, and then sucked Hannah’s long, meaty inner labia into her mouth.

“Uuhhnnn... oh my god yes!” Hannah moaned a little too loudly. Grabbing Hailey’s hips, she pulled her identical twin back, and then began licking her womanhood. If not to experience it, then to keep herself quiet enough to not wake their mother sleeping on the other side of the house. *“Wait, I want to lose our virginities at the same time so get two fingers ready,”* she said as she positioned two fingers of her right hand for penetration. *“On three,”* she continued, feeling her twin’s fingers sliding between her inner labia. *“One. Two. Three!”* no sooner was the number out of her mouth, then both of them grunted and then moaned as they were penetrated for the first time in their lives. *“N-Now let’s shove them up each other’s ass!”*

Positioning her fingers against her twin’s tightly closed back door, Hailey counted. *“One. Two. Three!”* With a quick thrust the sisters lost their anal cherry together. *“Fuck that feels better than I thought it would,”* she purred.

“Amen!” Hannah moaned. *“Now let’s lick and finger each other to orgasm!”*

“Gladly. But first, I need to... stay here.” Hopping out of bed, Hailey ran to their adjoined bathroom and closed the door. Grabbing two clear plastic cups, she placed one against her vulva and started peeing. Once it was about half full, she cut off the stream, replaced the cup,

and then began peeing again. Taking a moment to even the contents of the two cups, she returned to her sister's bed. "Time to test our resolve," she said, offering the cup in her left hand.

"Is this..."

"My piss? Yes, yes it is. On three we'll drink. If either of us stops before their cup is empty, or if we spit it out, the other gets to give them ten swats of the cane. On the breasts. One. Two..."

"Wait, I'm not..."

"Three." And with that, Hailey brought the warm cup to her lips and began gulping the salty contents.

"Fuck me, why did I agree to this?" Hannah said, bringing the cup to her lips. Gross as she thought it was to drink piss, she was nevertheless determined to prove she was every bit as perverse as her twin so, holding her breath, she chugged the 7-ounces in one go.

Pulling the now empty cup from her lips, Hailey slowly exhaled. "Okay, that was gross but not terrible. What do you think, sis?"

"I couldn't agree more," Hannah said as she placed her empty cup over her vulva. A beat later and her piss was splashing off the sides. Watching it fill, she grabbed the cup from her sister's hand, put it in place, and then continued until her bladder was drained. Making the cups as even as possible, she handed one back to her twin. "Bottom's up!"

"I love you so much!" Hailey said as she drank her sister's pee.

I love you too. And since we both drank each other's piss without gagging or throwing up I think we should continue doing it every day."

"Every morning when we get up, and every night before bed. And now that we're no longer virgins can we use the toys on each other?"

"Yes, yes we can. And since we did something you're obviously into, I want to do something I fantasize about. I don't think we'll be able to do it today, but I want to practice every chance we get until..." Suddenly feeling incredibly self-conscious, Hannah bit hard into her lower lip.

"Until what? Remember, no limits, so there's nothing to be ashamed of. Especially given the selection of toys you asked Celeste to buy for you. Come on, sis, what do you fantasize about?"

"I want us to fist each other."

"Um, yeah, no way that's happening today, but I'm willing to practice every day until we can. Pussy? Ass? Both?"

"Definitely both."

"Well, we have a few hours before mom gets up so why don't we get started?"

"R-Really?"

"God yes! I just have one question. Since we're both collared who do we serve?"

"Each other."

"I like that."

"We can discuss it in more detail later, but for tonight let's just do whatever comes naturally," Hannah said as she pulled her twin in for a kiss.

Tongues dancing in each other's mouths, Hailey slowly walked her twin back and onto the bed. Reaching into the box, she grabbed a ball gag which she placed on her obedient sister. "Kneel on the bed with hands behind your head. I'm going to give your tits ten swats to see how much you like pain."
