[Chapter 8](#)

Tired of waiting for his sister to finish, Brandon walked into the bathroom to take a shower whether she was done or not. Closing the door behind him, his eyes were drawn to the steamy glass doors where he saw his youngest sibling bent over and thrusting herself back and forth on not one, but two enormous dildos stuck to the wall behind her. After briefly considering leaving her to pleasure herself, he instead held firm to his convictions, stripped naked, walked across the bathroom, slid the door open and then stepped into the tub – his semi-hard cock mere inches from her parted lips.

Taken completely by surprised by the sudden appearance of her brother, Bianca slammed back on the two giant dildos while looking up into his eyes. “B-Brandon!” she panted. “W-W-What are you doing? Get out! I’m...”

“I can see what you’re doing sis. No wonder you take so god damn long. I can’t wait to tell mom and dad why you really take hour long showers leaving the rest of us with nothing but cold water.”

“And I’ll tell them you got in the shower with me!”

“Go ahead,” Brandon shrugged. “I told you I needed to take a shower half an hour ago so you only have yourself to blame that you now have to share. How big are those things?”

“None of your business!”

“Tell me or I’ll yank you off them to see for myself.”

“God, you’re such a fucking pervert! They’re really big, okay?”

“How big? Come on, sis, tell me how big a size queen you are. How long and thick are they?”

“They’re fourteen inches long and three-and-a-half thick.”

“Jesus! Show me!” Not waiting, Brandon grabbed Bianca by the shoulders and then pulled her forward until the toys popped free. “Fucking hell!” he exclaimed when he saw she had been telling the truth. “And not human looking ones either. What the hell are those, sis?”

“Just get out and leave me alone or I’ll tell mom and dad you... that you...” it was then Bianca felt her brother’s hard cock pressing against her vulva.

“I’ve seen enough porn to know what they are but want to hear it from your mouth. Go on, sis, tell me what you’re fucking yourself on,” Brandon said as he stared into his beautiful sister’s eyes.

“I’m not telling you anything, pervert!” Adjusting her position so that her brother’s cock slid into her, she smirked. “Say anything and I’ll tell mom and dad you barged in and fucked me!”

“You’re the one that put me inside of you, you fucking pervert! Are you insane?”

“Askes the pervert still inside his own sister.”

“You have three seconds to step off and then I’m really going to fuck you, sis.”

Calling her brother’s bluff, Bianca pressed her body against his while taking all of him into her. “You wouldn’t!”

“You’re absolutely fucking nuts!” Brandon said as he grabbed his youngest sister by the hips. “You’ve given me hell all out god damn lives and now you do this? What the hell is wrong with you?” he asked even as he pulled out and spun her around so that she was facing the two huge horse cock dildos. “I was inside of you, sis, and while that’s messed up on more levels than I care to count, there’s no going back from that so I’m going to do my best to enjoy this.” And with that, Brandon slammed his cock in and out of Bianca’s tightly gripping womanhood. “Is

this what you want you sick fucking whore? Are you so depraved you get off on being fucked by your own damn brother?" Seeing her gaping asshole, he grabbed the bottle of lube off the little shelf to his left, coated his hand, grabbed a her by the hair with the left, and then shoved the right into her ass. "Jesus Fucking Christ! You took my hand like it was nothing! So turned on by the act he already felt the urge to blow his load, he yanked his fist and cock out, spun her around, and then shoved his dick into her open mouth. "Fuck yourself on those fat horse cocks you dirty fucking slut!" he commanded as the first ropey strands shot down his sister's throat.

Thankful her brother was smart enough not to come inside of her, Bianca did as commanded. Reaching back, she guided the flared heads of the massive horse cock dildos into pussy and asshole while staring him straight in the eyes the entire time she swallowed his seed. *Fucking hell! We've never gotten along a day in our lives so why the hell is this turning me on? Why did I put him inside of me? Why did I let him fuck and fist me? Why the hell am I sucking him off after eating his jizz?* Pushing back to take the full lengths of the dildos, she softly purred. "I'm not on birth control, but if you promise to fuck me every day for the rest of our lives I'll make an appointment to get on it."

"Seriously?"

"God yes! I know this is fucked up and for the life of me I can't believe I actually put your dick inside of me like that, but I don't regret it, Brandon. All I ask is that you keep my toys and our sexual relationship a secret and I swear I'll start being nice to you."

"And how are you going to explain this sudden niceness to everyone?"

"We can tell them we sat down and had a heart-to-heart and finally see eye-to-eye. We can tell everyone that we've agreed to give each other the love and respect they deserve. And right now I think we both deserve the pleasure of your cock in my pussy. Just remember to pull out and come in my mouth like the first time. Or up my ass. Your choice. Please, I... I want... I need you to keep fucking me."

"Why?"

"Because it's the hottest thing I've ever done in my life and I love you for it! I mean it, Brandon, I love you and your magnificent cock and as far as I'm concerned my body is yours to do with as you please so long as you promise to fuck me at least once a day. And when I get on birth control you can pretend to breed me! Oh my god! Just saying that has my clit throbbing! I want you to breed me, brother! I want you to blow your load deep inside of me every time we fuck!"

"As fucked up and hot as that sounds, it's also the stupidest thing you've ever said in your life. I'll stick to pulling out well beforehand until you're on the pill and even then I want to see proof you're actually taking it before I even consider coming inside of you."

"Fair."

"How long have you been stretching yourself on huge toys, sis? And do you have others?"

"I started the day I turned eighteen and Katie bought me a large dildo as a gag gift," Bianca said, referring to her best friend. "It wasn't anywhere nearly as big as these, but I loved the way it stretched me so much I started buying bigger and bigger ones."

"You can obviously take my fists, which is hot as hell by the way, but what other kinky shit have you done?"

"Besides have sex with my own brother and then beg him to breed me? I've dabbled a bit with bdsm and..."

“And what? If we’re going to see eye-to-eye and be lovers you need to be completely open and honest with me, Bianca.”

“Katie and I have sex with each other and... and, um, our dogs,” his sister confessed.

“You have sex with dogs?”

“We do. I’ll do it for you if you want to see it, but Katie will kill me if she ever found out I told you so please keep it to yourself.”

“The two of you do anything else together?”

“We do lesbian gang bangs with several friends twice a month. Not gonna lie, brother, you’re only the third man I’ve ever had sex with and I can’t wait for you to use me again.”

“You’ve got me so god damn horny!” Brandon exclaimed. “Get on all fours and I’ll fuck you again and then I need to actually shower and head out.”

Pulling off the two horse cock dildos, Bianca got down on her knees, turned, and then went head down, ass up. No sooner was she in position, then her pussy was once again filled with her brother’s cock. “We’ve got the house to ourselves for the next ten hours. Forget your plans and spend the day fucking me silly. Come in me, breed me right now and I’ll give you blanket permission to use me whenever and however you want.”

“I’m not coming inside of you, Bianca.”

“Come on, just this one time! Please! I want to know what it feels like to be creampie’d and I want you to be my first. I swear I’ll be your best friend and willing fucktoy moving forward if you do.”

“I’ll come in you all you want when you’re on birth control,” Brandon said as he lubed his hands to fist his sister’s ass.

“Come in my pussy or I’ll stop and we can go back to hating each other.”

“If you’d rather hate me then that’s your decision but I’m not risking impregnating you, Bianca,” Brandon said as he pulled from his sister’s tightly clenching womanhood.

Angrily getting to her feet, Bianca glared at her older brother. “I was here first so get the fuck out or I’m telling everyone what a pervert you are!”

“Go right ahead.” And with that, Brandon turned his back on his once again bitch of a sister and took his shower.

Pissed that her brother would not give her what she wanted despite the risk and stupidity of him coming inside of her, Bianca popped her dildos off the wall, and then stormed out of the bathroom grumbling obscenities mostly to herself.

∞ ∞ ∞

Knowing his sister would do any and everything in her power to make him out to be the monstrous older brother preying on his innocent younger sister, Brandon immediately went into damage control. After getting dressed to go out for the night, he set his phone to record, put it in his pocket, and then went to his sister’s room to talk only to find the door locked. Knocking, he called out. “We need to talk, sis, so please open the door.”

“You made it clear you don’t love me so just leave me alone,” Bianca called back.

“And you’ve made it clear that me breeding you equates to love. Please, sis, just let me in so we can talk and come to some sort of understanding.”

“I’ve got nothing to say.”

“So, what we did in the shower meant nothing? You put me inside of you, Bianca. You initiated this perversion so let’s talk about it. Or was it all a lie? I bet you and Katie don’t actually have lesbian gang bangs. I bet the closest you’ve ever come to getting fucked by an animal are your sex toys.”

“That’s your opinion.”

“Prove it. You said you’d have sex with the dogs so do it and I’ll consider giving you the creampie you desire. But you have to take all five of them back-to-back and in all three holes at least once.”

“I don’t believe you. Creampie me first and then I’ll have sex with the dogs.”

“I don’t believe you, so let one of the dogs fuck you while you suck me and then I’ll cream your pie afterwards.”

“How about I suck one of the dogs while you creampie me and then I’ll have sex with the rest of them? If you can’t do that then we have nothing left to talk about.”

“Fine, but I want to see you sucking doggy dick before I start fucking you.”

“Fine.”

A beat later and the door to his sister’s bedroom swung open and an incredibly horny and much less conflicted Brandon pulled her naked body in for a tight hug. “We’re going to make this work, sis.”

“I really hope so. Take your clothes off while I go let the dogs in.”

“I’m going to fist that sexy ass of yours some more so where do you hide your toys and lube?”

“In the dark blue tote in the back of the closet.”

“Before we go back to having sex and risking me impregnating you, can we talk?”

“About what?”

“About everything, but more importantly your sex life and how insane it is. I mean, how in the hell did you get so kinky?”

“I have Katie to thank for that. She talked me into having sex with her the day I turned eighteen and things have only gotten more perverted.”

“You really do lesbian gang bangs with her and your friends?”

“We do.”

“That’s pretty hot. And am I really only the third guy you’ve ever been with? Come on, sis, be honest. I want to know the truth about everything.”

“No, you’re not the third,” Bianca admitted.

“So, you’ve done gang bangs with men too?”

“I... y-yes, but not with my friends. The guys that fuck them will not wear condoms or pull out so I can’t risk having sex with them so instead I met some guys online who were willing to gang bang me wearing condoms.”

“How many?”

“Twenty.”

“You were gang banged by twenty men at the same time?”

“Yes. We’ve done it once a month for the last nine months.”

“Jesus Christ! So, you’ve been fucked hundreds of times?”

“Um, if you count women and dogs then it’s more like a thousand.”

“I thought you wanted to know what it feels like to be creamied so why make them wear condoms?”

“Because I can’t risk them impregnating me. Mom and dad think I’m still a virgin and that’s how it has to remain.”

“You’re not making any sense, sis. You won’t let other guys creampie you out of fear they’ll knock you up, but you want your own brother to do it. In what world does that make

sense? Don't get me wrong, I'll do it because I promised I would, but how does risking getting pregnant by your own brother make more sense than getting bred by someone, well, not me?"

"If some random guy knocked me up mom and dad would insist I get an abortion which I'd never want to have, but if you knocked me up then... well, I don't think they'd risk it getting out and ruining the family and I could keep our child. I... I want you to knock me up, Brandon. I want to have your baby. There, I said it. I want you to breed me and I give you blanket permission to fuck me whenever and however you want so long as the outcome is me carrying your child."

"That's so fucked up! So, is that why you put me inside of you in the shower? You were hoping I'd fuck you? Breed you?"

"Yes. Also, I didn't want you telling mom and dad about my toys and figured I could use you breeding me as leverage."

"I see. Okay, let's say I do breed you. Then what do you think's going to happen?"

"We'll raise them together and shower them with all the love they deserve."

"Raise them together? What, as husband and wife? News flash, sis, we can't get married and we sure as hell can't raise our kid together without the world knowing what we've done. Then there's the fact that one trip to the hospital requiring blood to be drawn will ruin our lives as well. Our child will be taken away and we'll be tossed in prison and disowned by the rest of the family. God, did you even stop to consider the ramifications or is your own perverse pleasure the only thing that matters?"

"We won't get in any trouble if we move to Rhode Island," Bianca blurted out.

"What?"

"Incest is legal in Rhode Island. That's how my friend Tiffany got away with having her brother's children. They can't get married, but they can live together and have as many kids as they like and there's nothing the law can do about it. I know, I didn't believe it either, but I looked it up and it's true. Sure, mom and dad will be pissed at us, but they're not going to risk their own reputations by disowning us. If anything, they'll probably give us enough of our inheritance to comfortably live on just to keep us quiet."

"Or more likely, they'll somehow think I'm a horrible monster taking advantage of his innocent little sister and have me locked up."

"I won't ever let that happen!"

"Yeah right. Like you came out and told the truth the other million times I took the blame for some bullshit you pulled?"

"I'll tell them it was all my idea!"

"They'll never believe it."

"I'll record it! I'll turn the webcam on and we can record everything we do from now on so there's no mistaking my willingness to be your breeding fucktoy."

"Yeah right, like I'd ever give you sole access to a video of us fucking."

"Then record it yourself. Go get your own laptop and set it up while I let the dogs in."

"Either of us recording something so risky is just stupid and so is breeding my own sister no matter how god damn stunningly beautiful and willing she is. I'm sorry, Bianca, but I'm not going to risk throwing my entire life away just so you can fulfil some perverse fantasy."

"Then I'll tell mom and dad you barged into the bathroom and molested me in the shower!" his sister seethed.

"We both know that isn't true."

"Sure, but who do you think mom and dad will believe?"
