“JESUS CHRIST, JESSE!” Brenda gasped as her brother emerged from his bedroom and walked out into the living room where she was sitting watching the morning news. Her eyes drifted down his naked, toned chest to his six-pack abs and stopped at the raging boner sticking out a full ten, thick inches between his legs. It was the biggest dick she had ever seen outside of the few pornos she had watched and she could not believe it was attached to her brother. Her mind wondered and the words were out of her mouth before she had time to stop them. “Man, that fucker could really stretch a girl out good!”

“Oh shit! Sorry sis, I totally forgot you were here! Wait...what did you just say?”

“Nothing!” Brenda’s face turned bright red and she slapped a hand over her unruly mouth to prevent any more embarrassing remarks from slipping out.

“Do you like what you see? I can give you a closer look if you want,” Jesse said taking a few steps towards his sister – smiling wickedly as he watched her eyes following every bounce up and down. He found his younger sister incredibly sexy and could never pass up the chance to tease her, so he did not stop until he was standing in front of her – his dick only inches away from her face. “There, is that better?”

Brenda opened her mouth to say something and her brother made a bold, potentially disastrous move. Her lips parted. He stepped forward – the head of his cock going into her mouth. He stood there looking down at her. She looked up at him, eyes wide in shocked disbelief, but she did not move away. Not because she wanted to suck her brother off, but because she was frozen with fear.

Jesse took her non-action as a sign to continue and he pushed another three inches into his sister’s mouth. Placing a hand on the back of her head, he thrust his hips back and forth, driving his dick deeper and deeper down her throat. Brenda could not believe what was happening. Her brain could not even process the humiliation she was feeling and her body was not responding at all. Looking up into her brother’s dark brown eyes she could see the love there. And the lust. She saw the burning fires of desire that told her this was something he had longed for.

“Show me your tits, sis,” Jesse said as he continued to fuck his dick down his sister’s throat – her gagging only turning him on even more. “Come on, pull your shirt up and show me those perky little puppies!” He was so excited that she was not resisting him that he was having trouble holding back and he wanted to see as much of her as she was seeing of him before he shot a load down her sucking throat.

Lost in a haze of excitement, confusion and fear, Brenda grabbed hold of the hem of her shirt and pulled it up over her small, perky breasts for her brother’s viewing pleasure. Jesse reached up and gently tweaked her right nipple between finger and thumb, eliciting a soft moan from his sister that nearly caused him to spew his goo right then and there.

“God, I love you so fucking much, sis!” The excitement of having one of his incestuous dreams come true was more than he could handle and he came – shooting one ropy strand after another of semen right down his sister’s gulping throat. He held himself in her mouth until he was completely limp before taking a step back.

“What in the fuck just happened!?” Brenda gasped. “Y-You just...you throat fucked me! Oh my god! I can taste your semen at the back of my tongue! What in the hell were you thinking!?”

“I was thinking what an amazing and sexy sister I have to make one of my fantasies come true. Besides, you’re the one that was staring at my dick when I walked out here.”

“You were nude! It’s kind of hard not to notice that sort of thing!”

“And you’re the one that said it would stretch you out nicely.”

“No, I said it could really stretch a *girl* out good. I never said you could put it in my damn mouth!”

“And yet you did not resist it either. Admit it sis, you enjoyed that every bit as much as I did.”

“N-No I d-did...okay, fine, I liked it, but that doesn’t change the fact that you put your dick in my mouth! And why is that damn thing hard again?”

“Because it wants you sis. Why don’t you take off the rest of your clothes and we can continue where we left off?”

“You can’t be serious! We are *not* having sex! What we did was wrong on so many fucking levels I don’t even know where to begin! I think that I shouldmph...” Her sentence was cut off by her brother’s cock once again pushing into her mouth. Her head jerked back and she looked up at him in disbelief. “What the fuck, Jesse! I just told you not to do that...” Again his dick went into her open mouth. “God damn it! Stop doinmph...” Her resistance was faltering and she allowed him a few dozen thrusts before pulling back again. “Jesse...” she said looking up at him.

“Don’t say anything sis. Just open wide and take my cock like a good girl. But first, let’s get you out of these clothes.” Grabbing her already pulled up shirt, Jesse pulled it the rest of the way off and tossed it to the other end of the couch before helping her stand. Brenda bit her lower lip so hard it almost bled. She knew what was coming but did not stop it. Looking down, she trembled as her brother unbuttoned her jeans and tugged them down her hips and ass. “You are so fucking sexy,” Jesse said leaning in to kiss her. She did not resist, allowing him to press his lips to hers as she kicked her pants and panties across the room where the former landed by the end table and the latter on the head of Gizmo – Jesse’s two year old Dalmatian that had just entered from the kitchen.
