Parent's gone, Brian walked across the house and lightly knocked on his sister Adalyn's bedroom door. "Hey sis, can I come in?"

"No."

"Why not?"

"Because I want to be alone."

"You always want to be alone. Come on, sis, I just want to talk."

"Well, I don't so go away!"

Sighing, Brian shook his head and then opened the door to see his fraternal twin sister sitting on the bed with knees pulled up to her chest. "You never want to talk. You never want to leave your room; you never want to do anything but mope. Well that ends right now!"

"I said I don't want to talk so get out or I'll scream for mom and dad!"

"Go ahead. They're headed towards town so we're home alone for at least a few hours," Brian said as he stepped in and closed the door behind him. "Tell me what's wrong and maybe I can help."

"If you want to help then go away and leave me alone!"

"Not until you tell me why you're so upset," Brian said as he approached the bed. "Come on, sis, I hate seeing you like this so let me help," he said as he sat on the edge next to her. Exhaling, he reached out and gently placed his fingers on her chin and then turned her head to face him. "Please, tell me what's wrong."

"Why do you care?"

"Because I'm your brother and it's my job to care."

Staring into her twin's eyes for a long moment, Adalyn sighed. "Do you think I'm pretty?"

"Excuse me?"

"Do you think I'm pretty or am I as ugly and disgusting as everyone says?"

"Dammit, Adalyn! How many times have you been told not to listen to what others say about you?"

"Answer the question!"

"Of course I think you're pretty."

"Liar! You're just saying that because you think it'll cheer me up!"

"There's no winning with you! If I say no then I'm an asshole for calling you ugly. And if I tell the truth then I'm a liar. You're pretty, sis, so please stop listening to what your bullies say."

"Prove it!"

"Prove what?"

"Prove that you think I'm pretty!"

"I just said that you are, sis."

"So, prove it!"

"How?"

"I'm going to set up a scenario and I want the honest truth or I swear I'll never talk to you again."

"Um, okay."

"Imagine a world where we're not related. Imagine a world where we're the last man and woman on earth and need to repopulate. Would you have sex with me, or would humanity die?"

“I’d pound you day and night for the rest of our lives,” Brian answered honestly. But that’s an unfair scenario.”

“How?”

“Your looks have absolutely nothing to do with repopulating humanity. I wouldn’t care if the last woman on earth was the most stunningly beautiful woman in the world, or the ugliest.”

“Okay, well, what about if we met in a club and I asked you to come back to my place? Would you come, or walk away?”

“I wouldn’t hesitate going home with you.”

“And you’d have sex with me?”

“In a heartbeat.”

“R-Really?”

“If you asked I’d spend all night making sure you had the most pleasurable time of your life.”

“W-What would you do to me?”

“Whatever you desired,” Brian said as his dick suddenly began to stiffen in his pants.

Lunging at her fraternal twin brother, knocking him back on the bed, Adalyn climbed on top of him, leaned down, and then kissed him on the lips.

Taken completely off guard, Brian could not believe his sister was kissing him, but as nice as her lips felt against his, what she was doing was wrong on more levels than either of them could count. At the same time he did not want to make her even more self-conscious than she already was. Gently rolling her off to the right, he straddled her hips and placed his hands on her shoulders. “What are you doing kissing me like that?”

“You said you’d spend the night making sure I had the most pleasurable time of my life.”

“Yeah, in a scenario where we aren’t related! But we are related, Adalyn.

Reaching out, Adalyn cupped her twin brother’s crotch. “And you’re hard so that means you like it. Oh my god! Y-You liked it! You liked being kissed by me!”

“That doesn’t…” seeing the look of elation in his twin sister’s eyes nearly broke him on the spot. After years of being told she was ugly and worthless by bullies at school, causing her to sink into bouts of extreme depression, all she ever wanted was to be loved. Wrong as it might be, Brian knew one wrong move could send her spiraling towards destruction. “Yes, I liked kissing you. I liked the feel of your body pressed against mine. But incest is wrong.”

“Only if you let it. I… I liked it too. I like you sitting on me, holding me down. Please, Brian, please kiss me. Prove that you really thing I’m pretty. Prove everyone else wrong by showing me that I’m not just a worthless waste of oxygen.” Unbuttoning her brother’s pants, she then pulled the zipper down. Staring into his eyes, she waited for him to go off, but all he did was stare back. “I’ll be as clear as humanly possible. I want you inside of me, brother. I want you to be the one to take my virginity. I want you to… I want you to love me.”

“I do love you, sis.” And with that Brian leaned down and kissed his sister in the lips. “If we do this there’s no going back.”

“I don’t care!” Rolling them over so that she was on top again, Adalyn pulled her shirt off revealing the most perfect set of breasts Brian had ever seen. Unbuttoning and unzipping her pants, she gave her brother another kiss before sliding back off the bed. “If you really love me, if you truly want to give me the most pleasurable time of my life then you can take the rest of my clothes off.”

Sitting up, Brian’s dick twitch with perverse excitement. Standing, he pulled his sister in and kissed her. First on the lips, then on the chin followed by her chest, right breast, and then left

nipple which he latched onto for several glorious seconds before continuing to kiss his way down her belly until he was kneeling. Grabbing her pants and panties, He slowly tugged them down until her womanhood was barely covered. "Are you sure you want to do this?"

"Please," Adalyn said, her voice quivering with excitement and fear.

Pulling his sister's pants and panties down to her ankles, he then waited for her to brace a hand on his shoulder to remove them completely. Slowly moving his fingertips up the backs of her legs, he grabbed her ass and pulled her in. Looking up into her wide eyes, he smiled. "You're not the only one losing their virginity today." And with that he sucked her hooded clit.

"Ooohhhh god that feels good!" Adalyn said as she put a hand on the back of her brother's head. "Uuhhnn... mmmm..."

Reluctantly stopping, Brian stood up, kissed his sister, playfully tossed her onto the bed, stripped naked, and then joined her. Positioning himself for penetration, the thought of wearing a condom to prevent a total disaster never entered either of their minds. "Are you absolutely..." before he could finish his question his cock was suddenly inside of her.

"Oh my fucking god YES!" Adalyn moaned. "Please fuck me, brother. Please give me all the pleasure you think I deserve!"

Leaning down, Brian kissed his sister again and then rolled them over so that she was on top. "This way you can control everything," he said as he gently tweaked her nipples. "Are you okay?"

"Okay? I feel amazing! And it's all thanks to you. I love you so much!"

"I love you too." And with that, he played with her breasts as she slowly bounced up and down on his throbbing manhood.

The time for talking over, Adalyn leaned down and kissed her brother as she rode his cock. Barely a minute later and her entire body began shaking as she threw her head back and loudly moaned in orgasm. Riding her brother even faster and harder, the twins kissed and rolled around the bed alternating who was on top while groping each other wherever their lips made contact. Chests. Breasts. Necks. Shoulders. Arms. Being both of their first time having sex, Brian tried lasting longer, but after ten minutes in his sister's tightly squeezing womanhood he felt himself reaching the point of no return.

Rolling over so that he was on top, Brian started to pull out only to be pulled back in as his sister's legs wrapped around him to prevent him stopping. "You need to let go, sis!"

"Not until you..."

"I'm about to blow my load! Let me go before it's too late!"

Squeezing her legs even harder, Adalyn locked them in place and a beat later he was filling her. "YES! Oh god yes! That's it! I love it! I love you so much Brian. Please don't ever stop fucking me!"

"I love you too, Adalyn, but I came inside of you!"

"I know and it was amazing!"

"Yeah, until you end up pregnant with my child!"

"Fuck, that's hot!"

"It is, but also a one-way ticket to prison if anyone finds out. This was so wrong, but I can't help it, I loved having sex with you, sis, but if you want to do it again you'll ne dot get on birth control or I'll need to start wearing condoms, or preferably both. That being said, you are stunningly beautiful and don't you dare let anyone tell you otherwise."

"Mmmm... you certainly make me feel beautiful."

“Because you are, sis. You just lack the confidence to believe it yourself. I’m going to change that,” Brian said as his cock slid out despite her trying to keep him in.

“Please tell me you don’t regret what we did.”

“Not for a second.”

“R-Really?”

“I mean, I might regret it if you end up pregnant and mom and dad find out, but as messed up as it is, I don’t regret pleasuring you for a second. I’m just glad I was able to get you off before blowing my load.”

“You got me off twice and it was amazing! God, I am so fucking excited. When can you do it again?”

Flipping his sister onto her belly, Brian raised her hips and then slammed into her from behind. “Right now!”

“YES! Take me! Fuck me! Use me! Breed me! My body is yours to do with as you please! Uhn... uhn... uhhnnn... sweet mother of god I love you!”

“I love you too, sis. And no matter what happens nothing will ever change that. You’re the first woman I’ve ever had sex with and I wouldn’t change it for anything.”

“You’re the first man I’ve ever had sex with and I wouldn’t change anything either. Now please fuck me silly and don’t you dare pull out!”

“I can’t...”

“Don’t pull out dammit! Please! I love the feel of your semen filling me so do it again!”

Saying nothing, Brian continued fucking his sister until once again making a large deposit.

∞ ∞ ∞

So excited that he was able to keep it up through three rounds of sex, Brian collapsed onto the bed next to his equally spent twin sister. “That really was amazing!”

“I couldn’t agree more. And you’re a man of your word because that was the most pleasurable morning of my life!” Adalyn purred. “I know I’ve said it about fifty times already, but I love you so much!”

Rolling onto his side, Brian tenderly caressed his sister’s cheek. “I love you too and for the record, I’ll never stop getting tired of hearing you say it.”

“Mmmm... me neither. Can I tell you a secret?”

“If you want.”

“It’s really humiliating, but... um, there’s no easy way... I was so desperate for any sort of affection that I was about ready to let Jasper take my virginity,” Adalyn said, referring to the family pet.

“Holy shit! Seriously?”

“I know it’s gross, but seeing as how no one wants anything to do with me, I figured he was the only one that wouldn’t judge me on my looks.”

“Were you just settling for a dog or do you really want to have sex with him?”

“I really wanted to have sex with him. In fact, had you not taken me like you did I planned on doing it this weekend.”

“Um, I must have actually fucked your brains out because you’re the one that took me! Or did you forget about lunging at and kissing me out of nowhere? Not that I’m complaining, but let’s be clear who started it. So, are you still planning on having sex with the Jasper?”

“Um, why, do you want to watch?”

“Fuck yes!”

“R-Really?”

“We just committed the ultimate sin so why not commit another? If you really want it and you don’t have to force him then I say go for it.”

“I’ll do it on two conditions. First, you have to lick me clean afterward. And two, you have to take him up the ass so you can’t use it to blackmail me.”

“Let me train you as my toilet and you have a deal.”

“Your toilet?”

“Just drinking my pee. But you must do it whenever I have to go without question and you must drink every drop or I get to spank your ass.”

“Deal.”

“Deal. I assume you’re going to wait until mom and dad are in town again?”

“Actually, I was thinking of going out into the woods so they can’t walk in on us should they get home early. Speaking of which, as much as I want to lay next to you forever, you should probably go before they come home and catch us naked together.”

“Yeah, you’re probably right.” Straddling his sister’s hips, Brian gave her one last kiss before hopping off her bed.

“Thank you, brother. Seriously, that really was the best time of my life, but more importantly you made me feel wanted.”

“It was the best time of my life too, sis, and I can’t wait to do it again this weekend and every chance we get for the rest of our lives.”

“Fuck, that’s hot! Go before I drag your ass back into bed!”

“Love you!”

“Love you too!”

And with that Brian left his sister’s room and made it halfway to his room on the other side of the house when he suddenly stopped and fast-walked back. Letting himself in, he saw her getting dressed. “I forgot my clothes,” he grinned. Grabbing them off the floor, he gave her another kiss and then walked back out. *I can’t believe I just had sex with my sister! He thought along the way. Three freaking times! I took her virginity! She took mine! Are we really going to have sex with a dog? Is she really going to drink my piss? How far can I push my luck? What the hell are we going to do if she ends up pregnant?*

Meanwhile, in her room, Adalyn hopped back on her bed grinning wildly. *I can’t believe I just got fucked by my brother! I’m no longer a virgin! God, I love him so fucking much. If he wants me to drink his piss I’ll be the best god damn toilet in the world! I can’t believe I told him I was going to have sex with Jasper. I can’t believe we’re going to do it together! Fuck, he’s the coolest brother ever! He might not like the idea, but I sincerely hope he knocks me up. God, I want his babies!*
